

2017-2018 Milk and Lunch Program

The Roch Carrier Elementary School Council would like to take this opportunity to welcome back all returning families, students and teachers and to extend a very warm welcome to our newest members.

As our main fundraiser, the Milk and Lunch Programs generate funds that allow Council to give back to the school through investments in technology, library books, playground 'greening' initiatives and additional classroom learning opportunities. We thank you for your continued support!

Ordering

We are continuing with our online ordering system for the 2017-2018 school year. A family must register at www.roch.parentcouncil.net before ordering. Please note that all accounts were purged at the end of the school year so all families will need to register again. Once you have registered, you can then order. (Again, ordering from the Lunch Lady is done instead through www.thelunchlady.ca). Registration can begin on September 11th and those wishing to place an order for the 1st term must do so by September 18th. No later orders will be accepted.

To register:

Step 1	Go to www.roch.parentcouncil.net then click on the REGISTER tab. This will take you to the registration form to create an account for your family. Each family will have one account and each student at the school will be linked to this account.
Step 2	Complete registration information. The access code is RCES (case sensitive). Full instructions are available for viewing under the HELP tab, Parental Instruction Guide.
Step 3	Once registration is complete, login and choose the STUDENTS button to register your child(ren). The "Student Administration" screen will allow you to specify your child's name and select which class he or she is in.

Step 4	Once your students have been added to the system you can immediately place lunch orders for each student. Choose “Manage Orders” and fill out the selection and quantity for each menu you wish to participate in (note that orders must be entered for each individual child).
Step 5	Print a copy of the order form(s) and remittance form(s) for each child for your records.

Don't forget to also register for regular updates (including reminders for ordering for the new term) from your school council at www.rohcouncil.ca.

Payments

Payments can be made online using Paypal, or by cheque (payable to Roch Carrier School Council) sent to the classroom in full or you can choose to send in post-dated cheques for all terms if you wish to eliminate the possibility of missed deadlines. Please date the cheques with the respective terms' ordering deadline date as per above.

Late Orders Please note that late orders will not be accepted.

Absent on Lunch Delivery Day

On the lunch delivery day, if your child is not at school for

- A FIELD TRIP OR SCHOOL TEAM EVENT, your student's lunch will be set aside in the servery for pick when the class or team returns to the school.
- ANY OTHER REASON, you can drop by the office after 1:15 to pick up the ordered meal(s). Please notify the office by NOON that you would like to have your student's lunch set aside and provide the student's name, teacher's name, grade, and lunch order (if pizza, please provide the number of slices, and if it is pepperoni or cheese.) There are no “make-up” lunches for snow days on a lunch day.

Volunteers

Our milk and lunch programs are run by volunteers. If you are able to help at all, be it every day, one day a week or even one day during the year, we would love to have you. Normal commitments involve only coming in 1/week from approximately 12:30-1:30. Please indicate your willingness and availability to help by contacting the Lunch Program Coordinator at lunches@rohcouncil.ca. Thanks!
