Student School Supplies

As you may know, the ministry has created a common list of school supplies for use in all elementary schools. This list is voluntary, parents are not required to purchase or provide the items listed. The intent is to increase equity for all students, to lessen the burden on parents to provide school supplies, and to bring more consistency across schools. We do recognize though that parents are still very welcome to continue to support our classrooms with items of their choosing.

*****Please do not purchase anything additional to this list*****

Should anything else be required, your child's teacher will send a request home in September.

Student Activity Fee

At Roch Carrier we have an annual voluntary Student Activity Fee of **\$10.00**. This student fee is used to financially support a number of school events and activities by supplementing costs for events that occur in our school each year, along with a variety of school programs that support our students in all aspects of our school community. Here are a few of the areas where the fees help to support our students:

- Special student events including transportation
- Spirit activities
- Craft supplies for extra-curricular activities
- Motivational and guest speakers for student assemblies
- Intramural and Competitive sports

All students at Roch Carrier ES benefit from these events and programs. It is also a way in which the whole community supports those who are less fortunate or find themselves at a disadvantage. Roch Carrier Elementary School stands together as a community.

*****Please send the School Supplies and Student Activity Fee to school with your child the first week of school.***** We can accept either cash or cheques, made payable to Roch Carrier Elementary School. Please include your child's name in the memo line. For families with more than one child attending Roch Carrier please note that there is a family maximum of \$20.00.
