

LOST AND FOUND – Last day Thursday, April 13

Do any of these items look familiar? We have been collecting quite the array of clothes and winter accessories since we've come back to school in January. The clothes are always on display, please pop into the office and grab a visitor tag so you can head down the hall and see if any of the lost items belong to your child(ren).

We will be laying out all of our Lost and Found items, in the hall across from the office during the first two weeks of April, to make it easier for everyone to find their things. Any items still left on **Thursday, April 13 will be donated**. Please arrange to check out the Lost and Found before the Easter Break.
