

What are **W**ALKIN' **W**EDNESDAYS?

As part of an initiative to promote “Active Transportation” and to reduce traffic around our school and our neighbourhood, Roch’s “AT Club” is encouraging students to participate in “Walkin’ Wednesdays”.

Every Wednesday, when it’s possible, the AT Club asks kids to choose to walk, bike or roll to and from school, even if only part of the way.

The AT Club will be keeping track of student participation. We are hoping to see the number of students choosing active transportation to grow over the school year, Wednesdays and EVERY day!
